

**Partnership Overview & Opportunities**

## About Grace's Legacy Foundation

Grace's Legacy Foundation was created to honor the life of Grace by advancing education, awareness, and prevention of blood clots and related circulatory health conditions—especially among youth and young adults.

Our mission is simple but urgent:

**Prevent blood clot tragedies through awareness, education, and early detection.**

---

## Why Partner With Us

Blood clots are often silent, sudden, and life-threatening—but they are also **detectable and preventable** with the right knowledge.

By partnering with Grace's Legacy Foundation, your organization will:

- Help **save lives through early awareness and education**
  - Support **youth-focused prevention initiatives**
  - Align with a meaningful, mission-driven cause
  - Demonstrate leadership in **community health and wellness**
- 

## Our Focus Areas

- Education & Awareness
  - Early Detection & Genetic Risk Awareness
  - Youth & Community Engagement
  - Family Support & Advocacy
- 

## Partnership Opportunities

- Strategic Partnerships
  - Program Sponsorship
  - Event Partnerships
  - Corporate & Community Giving
-
