

Long-Term Programs
Sponsorship Opportunities

Grace's Legacy Foundation

We've designed a range of partnership opportunities to give organizations meaningful ways to support the mission of Grace's Legacy Foundation—while also creating visibility, alignment, and long-term impact.

Legacy Partner (Title Sponsor)

\$100,000+ annually | 3–5 year commitment

This is a deep, strategic partnership for organizations that want to play a leading role in shaping the foundation's future.

Legacy Partners are fully integrated into the foundation's work and are positioned as a driving force behind its growth and impact.

What this looks like:

- Naming presence across the foundation:
Grace's Legacy Foundation presented by [Company Name]
- Co-branded flagship programs (education, prevention, or community initiatives)
- Prominent visibility at all major events, including speaking opportunities
- Top-tier logo placement across digital, print, and event materials
- A customized annual impact report highlighting outcomes tied directly to your support
- Opportunity for executive involvement, including participation in strategy discussions or advisory sessions

Impact focus:

Supports the foundation's core programs—education, early detection, and community-based prevention efforts.

Impact Sponsor

\$50,000 annually | 2–3 year commitment

Impact Sponsors align with a specific program area and help bring it to life.

This level is ideal for organizations that want a clear connection between their support and a defined initiative.

Sponsorship options may include:

- Know Your Risk™ Education & Prevention Program
- Early Detection & Genetic Awareness Initiative
- Community education workshops
- Annual awareness or memorial events

Included:

- Program-level recognition (“Supported by [Company Name]”)
 - Visibility at events tied to the sponsored initiative
 - Quarterly social media features
 - Logo placement on program materials
 - Annual summary of program outcomes and reach
-

Community Partner

\$25,000 annually

Community Partners play an important role in helping expand local outreach and engagement.

Included:

- Recognition at key events throughout the year

- Logo placement on the foundation's website and select event materials
- A few dedicated social media mentions each year
- Opportunity to collaborate on a co-branded community event

Impact focus:

Supports direct program delivery and local awareness efforts.

Growth Sponsor

\$10,000 annually

This level offers an accessible entry point for organizations that want to get involved and support the mission.

Included:

- Listing on the foundation's sponsor page
- Recognition during the annual event
- Occasional social media mentions
- Inclusion in the annual impact report

Impact focus:

Helps extend the reach of education and prevention programs.

Program-Specific Sponsorships

Flexible contributions

Flexible contributions with meaningful, targeted impact

For organizations or individuals who prefer a more focused approach, we offer opportunities to support specific programs, initiatives, and events that directly advance our mission.

Examples include:

- Sponsoring a family's access to screening, genetic testing, or support resources
- Funding a school or community-based *Know Your Risk*™ workshop
- Supporting early detection and awareness campaigns for youth and families
- Sponsoring a specific **Grace's Legacy Foundation event**, such as:
 - The **Taekwondo & Dance Community Event (April 25, 2026)**
 - The **LA Sparks Halftime Awareness Event (August 28, 2026)**
 - The **Silent Dance Party Fundraiser (October 17, 2026)**
- Underwriting event elements such as venue space, youth participation scholarships, educational materials, or community outreach efforts

What makes this meaningful:

- A direct connection to real, measurable outcomes
- The ability to see your impact through personal stories and community engagement
- Optional opportunities for deeper involvement, including volunteering, brand presence at events, and participation in awareness initiatives

What makes this meaningful:

- Direct connection to real outcomes
- Personal stories that demonstrate impact
- Optional opportunities for deeper engagement, including volunteering or event participation

In-Kind & Strategic Partnerships

We also collaborate with organizations that provide services, expertise, or resources that support program delivery.

This may include:

- Media and awareness partners
- Healthcare and wellness providers
- Technology platforms
- Event production and logistics support
